However, in recognition of the shortage of sports infrastructure, particularly in the rural areas, the Ministry of Youth Affairs and Sports is considering the launching of a scheme—"Panchayat Yuva Khel Abhiyan" with the objective of developing basic sports infrastructure, and promoting games and sports activities, at the village/sub-district level, both as an essential ingredient of the development of the youth and to significantly expand the catchment for spotting and nurturing of sports talent. Consultations are being held in this regard with all the stakeholders concerned with a view to finalizing the proposal.
